Your life at the Shore is calling, and this property is the perfect answer. Completed in 2023 by one of the area's most respected Builders, this one checks off all of the boxes for upscale waterfront living, with the beach in LBI close by. Everything in this 4 bedroom, 3 bath home has been completed with impeccable quality and casually elegant accents. The saltwater pool and paver patio are added attractions, and the Owners have done many recent upgrades. (Feature List Attached). You will enjoy the sun from sunrise until late afternoon, as you relax in resort-like comfort. Those familiar with BHW know that this is a very spacious lot (Most homes here cannot include pools). The Developer couldn't pass up this unique and appealing setting and you will know why as soon as you visit.

This opportunity is available for immediate occupancy at an affordable price, and everything has been done so that you can begin creating memories in your new waterfront home!
